*Being & Making Disciples!*

## **Rested, Re-energized, and Reinvigorated!**

A huge appreciation to Holy Ghost Congregation for the Sabbatical (Sabbath Rest)! The time spent in resting, study, prayer, reading, and having a renewed vision for ministry was very much appreciated. I shared with many of you that it was valuable to be able to study and read without having that time split up by the normal busyness of ministry. I was able to read and study more in the past three months than I have in the last ten years of ministry.

It was also refreshing to visit different churches each week, some locally, others around the state and nation. Experiences ranged from a mega-church experience in Dallas all the way to a Greek Orthodox church. It was truly a joy just to worship in a variety of traditions. The overwhelming take-away was that God is alive and active and thriving in congregations. I came away with a renewed sense of hope, even in small congregations where I saw many young families actively engaged in the mission and ministry of God's church!

Conferences attended ranged from the Canadian Rockies Theological Conference to a trip to our seminary in Ambridge, PA (just outside of Pittsburgh) to the local LCMC gathering in Taylor and the National NALC Convocation and Mission Festival in Nashville, TN. A part of the emphasis focused upon church history amid persecution in the twentieth century in Nazi Germany and Communist-controlled Ethiopia. The church faced great struggle in these times and came through with flying colors because during persecution and threat, people remained faithful to God. The EECMY (Ethiopian Evangelical Church Mekane Yesus) is the largest Lutheran church body in the world and is continuing to grow rapidly. We are beginning to face a growing tide in this nation of people for whom church and faith in God is alien. We live in a post-Christian world. The struggle for the church is how to recapture the heart of Christian Witness so that we can make a marked difference in our culture today! How do we intentionally reach out more and more in our communities and touch the dark places of our world with the love of Jesus Christ?

The biggest piece for me, and a good part of what I would like to engage Holy Ghost congregation with is what I have learned and continue to learn through the online courses I took on Spiritual Gerontology, learning to bring value and meaning to maturing adults in our churches and communities. We are blessed at Holy Ghost with a growing population of youth and young families which gives hope for the future of the church. We are also blessed with many adults who are maturing, from "boomers" to elders to seniors. The church-at-large has not tapped into the tremendous resources of wisdom, and wealth of experience that these folks have to offer. The big question to answer is "How do we bring value and give meaning to maturing adults and enhance the effectiveness of the church as it reaches out to Be and Make Disciples in Jesus' name?" One solution is to recognize how important spirituality is at all stages of life and to continue working at deepening our spiritual awareness as we journey through all stages of life and into the joy of life eternal with our Heavenly Father. Awareness of the tremendous resources available and making use of those resources is a second critical piece in faith formation for maturing adults.

It was a marvelous experience to take a break, find rest, and be re-energized and reinvigorated for the next arena of ministry. And what a blessing to be able to have more time to enjoy family, renew old friendships, and spend time spoiling my granddaughter!

Thank you again for this tremendous opportunity!

Pastor David

**A Word from the Stewardship Team: Required Minimum Distribution**

The dreaded RMD is the requirement from the IRS that once we reach the age of 70 1/2, we must take distributions from our IRA, SEP, Simple, or retirement account. In most cases, this results in taxable income to add to the tax return in the year of the distribution. But wait! There is an exception! The IRS allows you to make a tax-free transfer to a charity of your choice from your retirement account. You don't need to itemize deductions to get the tax benefit. Making a tax-free transfer also keeps the money out of your gross income. That could help you avoid the Medicare high-income surcharge in certain tax brackets. Keeping money out of your adjusted gross income could also make less of your Social Security benefits taxable. Do you have an RMD this year? *Talk to your accountant and your broker* to see if you can designate some of the required amount paid to the charity of your choice. For example:

Required Minimum Distribution	\$5,000
Check from broker payable to the charity of your choice	<u>\$1,000</u>
Taxable distribution for 2017 to your return	\$4,000

**THANK YOU HOLY GHOST FAMILY**

For the many visits by pastors and members while I was recovering from hip surgery,  
For those who were "gofers" - shopping and delivering needed items when I could not go out on my own,  
For the "drivers" who drove me places when I could not drive,  
For providing food after I got home (kept my freezer full),  
For the many who prayed for my recovery.  
Your genuine concern and help is greatly appreciated.

Thank you again.  
Rev. William Breen

### LOCAL MISSIONS TEAM

Thank you to all who donated to our drive for school supplies. The total collected was \$1,614.48. Funds went to purchase some needed items for the elementary school nurse, the balance going to Gillespie County Community Needs Council for their school supplies drive. What a wonderful witness to our Community!

Some plans are in the works to take a cookout lunch to the community of Dickinson, TX. This was possibly the hardest hit area from the hurricane. We have been in touch with Faith Lutheran Church and will contact them again in a couple of weeks to set a time to make the trip as they are currently repairing the church. Our plan is to take volunteers, barbeque pits, hamburgers and hotdogs, beans, chips and drinks to share with residents of Dickinson along with some fellowship, songs, and prayers.

We hope this will be a respite from their endless work at restoring property in the aftermath of Harvey. We will need volunteers and donations. If you would like to join us in the caravan to Dickinson, please call Jerry or Linda Christensen at (309) 361-3970 or (309) 992-8121. We do not yet have a definite date but are targeting the 3rd Saturday in October, leaving at an early hour and returning the same day.

Our next big event will be the Christmas dinner. Thanks to the Confirmation youth and families for the highway cleanup this month.

### Creation Care

*God said, "See, I have given you every plant yielding seed that is upon the face of all the earth, and every tree with seed in its fruit; you shall have them for food. And to every beast of the earth, and to every bird of the air, and to everything that creeps on the earth, and to everything that has the breath of life, I have given every green plant for food." Genesis 1: 29-30 NRSV*

Fall is fast approaching and there are things that we need to do to prepare our yards and gardens for the change in weather. The birds and butterflies are getting ready for cold weather by migrating through our area and storing up energy. The plants in our gardens need to be prepared for the cold weather.

1. You need to double the number of seed and suet feeders for the birds to build up their strength.
2. Let the seed-bearing plants such as clematis, aster, allium, goldenrod, purple coneflowers, black-eyed Susans, sunflowers, and grasses that provide food for the birds during the winter remain in the garden for the birds.
3. Divide your overgrown perennials and cut back the dead foliage on others.
4. Remove any dead annual plants and vegetables from the garden, roots and all. If you find pests and diseased plants, bag them and dispose of them. Do not put them in compost piles.
5. Bring your plants that are in pots and non-hardy plants indoors for their protection.
6. Cover the plant roots with mulch, especially shallow-rooted perennials and bulbs as freezing approaches for the protection of their roots.
7. It is a good idea to nourish perennials and annuals by placing compost and shredded leaves around the plants. Newly planted trees and shrubs are especially vulnerable to the winter and need extra protection.
8. Fall is a great time to plant trees, shrubs, perennials, and bulbs. Make sure that they are planted in the ground before the soil gets too cold so the roots have time to become established.

Preparing your garden plants in the fall allows you to start the spring ready for the garden blooms.

This information is provided from an article in the October/November issue of Birds and Blooms.

**WORSHIP IN OCTOBER**

Saturday, 6:00pm offers an informal service;  
 Sunday, 8:00am is a traditional service; and  
 Sunday, 10:30am is a varied format.

**“Come, let us worship the Lord!”**

**OCTOBER WORSHIP THEMES**

The fall sermon series is, “By Faith....” based on Hebrews 11. This chapter lists all the great patriarchs and matriarchs of the Old Testament, later referring to them as the “*great cloud of witnesses.*” May we learn to walk in faith by the examples of their faith and failures, ultimately trusting in God!

**Sat. & Sun. Sep. 30 & Oct. 1:** What do fleece, water, trumpets, and torches have to do with faith? By faith Gideon used all these as God commanded and defeated the enemies of God. Read the story in Judges chapters 6, 7, and 8. How can God use the ordinary things in our lives to achieve extraordinary results?

**Sat. & Sun., Oct. 7 & 8:** The faith figure for this weekend is Joseph. The story is tragic and powerful. Resentment and jealousy tore a family apart, and through the process of time Joseph, by faith, saw God working His gift of forgiveness which brought restoration and renewal. Where do we struggle with forgiveness in our lives?

**Sat. & Sun., Oct. 14 & 15:** “By faith...Noah....”built the ark. with what fears might Noah have dealt? What obstacles might he have been facing? What led him to continue to build the ark? Faith?

**Sat. & Sun., Oct. 21 & 22:** “By faith....Jephthah” is the story for the message. Sadly, this man made a deal with God—one which he never wished he never would have made, but nonetheless he did. And did he keep his word? That is the faith struggle in this story. Holy Communion will be served!

**Sat. & Sun., Oct. 28 & 29:** This is the 500<sup>th</sup> anniversary of the Reformation. The 10:30 service will be a joint service with other Lutheran churches in Gillespie County, at the high school auditorium. 6 pm & 8 am services will be on the regular schedule at Holy Ghost. Daniel’s faith in God to shut the lion’s mouths will be the focus.

Bible Quiz

It's intriguing to think of people in Bible times experiencing the same cycle of seasons we do. Which of these books *don't* mention autumn?

- A. Matthew
- B. Jeremiah
- C. Proverbs
- D. Jude

Answer: A (See Proverbs 20:4; B&C; Jeremiah 2:24; Jude 1:12)

**The Global Leadership Summit**

A Global Leadership gathering will occur on Thur., Oct. 12 from 6-7:30pm in the Fellowship Hall. Holy Ghosters along with any and all from the community who attended will view a speaker from the 2017 GLS and share feedback with one another. Bankers will learn from church people; church people will learn from business owners; business owners will learn from house spouses! Even if you did not attend the GLS, all are welcome to attend, listen to the speaker, and seek to grow in faith and leadership.

We invite you to our BBQ chicken fundraiser! We hope you will enjoy the food, and we greatly appreciate the support!

Fundraising is so important to not only help with operational costs, but also it allows us to purchase much-needed learning materials and equipment for the classrooms!

October is “Fire Safety Month,” and the children are excited for the fire department to come again and talk about fire safety at home! Last year, the kids were given the chance to hold the fire hose and spray water! It was a great time to show the kids what the fire fighters look like in all their breathing gear!

This year the Kinderneest staff will host a “Trunk or Treat” event in the Creek Street parking lot (behind the sanctuary). Come join us for some fun and treats on Tuesday, October 31 from 6:00-7:00!

God’s Blessings,

There are eleven Lutheran churches in Gillespie County, and all will be specifically invited to attend! Mark your calendars and share the news as we celebrate our common theological heritage!

## A Great Healthy Fall Season Meal

**This is a fine example of how yummy and easy a healthy meal can be! All ages love it!**

### **Texas Best Chili (also delicious without turkey)**

- 1 Tbsp canola or olive oil
  - 1 lb ground turkey
  - ½ red or yellow onion
  - 1 green or red pepper, diced
  - 2-4 cloves garlic, minced
  - 2 tsp cumin
  - 1 Tbsp chili powder
  - 1 tsp cocoa powder
  - 1 tsp instant coffee or ½ cup coffee
  - 1 can 14 oz crushed tomatoes
  - 1 can 14 oz chicken broth or ½ small box (reduced salt)
  - 3 cans beans or 1 lg-2 small – black, pinto, kidney or combo
  - Fritos, tortilla chips or corn tortillas, shredded cheddar/Mexican blend cheese, cilantro (optional)
- Heat the oil in a large pan (like a dutch oven/tall sided sauce pan), sauté the turkey and drain if necessary. Add the onions, pepper, garlic, cumin, chili and cocoa powder. Sauté until meat and onions coated – about 5 minutes of medium heat. Add all other ingredients and stir well. Bring to a boil and then lower heat and simmer, uncovered, for about 30-40 minutes. Serve over /under fritos or with corn tortillas. Sprinkle with cheese as desired. Enjoy!

HGLC Healthcare Team wishes you well!
