

OPERATIONAL FUNCTIONS

Holy Hosts

If you have a morning or afternoon during the week or perhaps once a month to assist with answering the phone, directing traffic, and doing odd jobs, the Church Office is in need of you! For more information, call Shanese Lochte at the Church Office, 997-2288.

Stewardship Team

The Stewardship Team works with budget, finances, annual appeal, building fund drives, and educating the congregation about opportunities to give back what God has given us – our time, talents, and resources for God’s Kingdom work. For more information, call Dwayne Boos at 456-7218.

Investment Team

Members of the Investment Team oversee the Church’s trust funds and certificates of deposit. They offer suggestions to the Church Council on reinvestment or redistribution of monies. For more information, call Jamie Runnels at 992-2019.

Building Committee

The Building Committee works with our Master Plan as the church grows to provide efficient use of the space we have and add on to buildings so that God’s ministry may be carried out. For more information, call Kory Keller at 210-213-7035.

Property Team

The Property Team works to identify various repair needs of our church properties and helps to maintain the church grounds. For more information, call Greg Henricksen at 990-8138.

Landscape Team

If you enjoy working with outdoor plants, the Landscape Team is the perfect opportunity for you to volunteer doing something you love. Most of the efforts of this group focus on taking care of the flowerbeds and other plants along Adams Street (Hwy 16). If interested, please call Gary & Lisa King at 456-4463.

Resource Management Team

The purpose of this team is to oversee the process of interviewing and hiring new employees and to conduct annual evaluations of these employees. Please call Corrine Jung at 889-8640.
