+HOLY GHOST LUTHERAN CHURCH+

May 2020

## Confirmation Sunday Update

Because Confirmation Sunday is such an important event in the life of our 8<sup>th</sup> graders and church, we have decided to reschedule our Confirmation Sunday when we can resume meeting together in-person for worship.

In the meantime, on Sunday, May 3, our originally scheduled Confirmation Sunday, we will have a sneak peak preview of our students sharing small parts of their faith papers during our online worship service.

We look forward to both our preview online and ultimately our in-person Confirmation Sunday Celebration!

## High School Graduate Recognition

We thank and praise God for our Holy Ghost high school seniors! On Sunday, April 19, we honored this group with a special online blessing and slide show with one of our seniors, Jenna Rickerhauser, singing songs to go along with the pictures of the graduates growing up. Please pray for the Class of 2020 during these challenging times, and we congratulate them on their tremendous accomplishments! We hope to reschedule our special luncheon hosted by our Women of Faith when possible in-person.
