What's going on in Youth Ministry this month?

We are a month and a half into our youth programming year and it's been a whirlwind of things. To start, our student leaders have officially picked a name for the youth ministry: W.I.L.D. Wednesdays. This stands for Worship, Inspired, Lead, and Disciple. We're so excited for this new name and identity! Wednesday nights are going strong with having over 30 middle schoolers and high schoolers attend on Wednesdays during the month of October.
