Youth News

Latest youth news and updates

What's going on in Youth Ministry this month?

We're heading into a busy season here at the church, and that means youth programming is busy, as well! We had off for Thanksgiving break, and the teens were missed! We're back in action until Christmas break, with a Nacho Libre Movie night happening! We also had a pool table donated by Kelly Ellebracht, and the teens love it! Over Christmas break, Daniel Hoffman and John are going to do some purging/cleaning of the youth room to make it less cluttered and more "youthy". (Yes, that's a word.)

Confirmation is wrapping up the Old Testament, and we will be moving into the New Testament at the turn of the year. We're going to see how the Old Testament points to a Savior, and that Savior is named Jesus!

High School Sunday School has a strong core of students who participate. They currently watch videos and have a discussion afterwards. They are currently watching a video series about how to unplug from Social Media.

Some of our teens playing pool on our new table donated by Kelly Ellebracht!

Dates to keep in mind:
