Youth Ministry this month

Our teens had a fun month of March. More specifically, during their spring break. Some of our teens helped serve at Camp Holy Ghost. If you're unfamiliar with what that is, it's a day during spring break where our little kiddos get a taste of what camp life will be like. We need so much help to pull Camp Holy Ghost off, and that's where our teens come in! However, some of our teens decided to join us at our local food pantry instead! We packed boxes of food for our community and helped clean up the pantry. We finished off a long day of service with a movie and some pizza. It was a great day all around!

It's hard to believe that we're winding down on the year and that youth group and Sunday School are ending for our teens! It's been an amazing year, and we can't wait to see what the summer holds!
