Youth Ministry this month

The last month was filled with so many adventures and special occasions! First, we blessed our seniors on to their new venture with recognition on Sunday, April 19, with a special lunch, and senior service just for them! Two weeks later, we confirmed seven of our Confirmands who completed our Confirmation program. It's always such a blessing to hear the stories of faith that those teens share!

Lastly, with one group of students leaving, we also have the opportunity to welcome in a new group of students! Our 5th graders joined youth group for a couple of weeks to get a feel for youth group next year! It was a blessing to introduce them to youth ministry and to continue the partnership with the parents that our children's ministry started!

Our graduating seniors!
