Youth Ministry happenings

Youth programming kicked off this month, and it's been so great seeing all of the teens back in the building. From the Gospel Project on Sunday to W.I.L.D. Youth Group kicking off on Wednesdays!

For Wednesday night W.I.L.D. Youth Group, we're going through a curriculum which will connect all of the stories in the Bible back to Jesus. It's easy to skim past some of these stories and not even realize how Jesus is in the small details of them! The Gospel Project starts off right in the middle of the ministry of Jesus. We're starting with the parables of Jesus. Again, these are things we may have heard growing up, but now we're looking at them through a different lens!

Lastly, we had our teens lead one of our Sunday services, where they talked about all of the things they did during the summer with the church. We heard testimonies from our middle school and high school kids, while being led in Liturgy by children of all ages!

Our teens helped lead VBS for our children's ministry. Sometimes, things get crazy!!
